About Runge Limited:

Runge Limited (Runge was established in 1977 by Dr Ian Runge, and listed on the Australian Securities Exchange on 27 May 2008 (ASX code: RUL).

Today, Runge is a leader in the provision of technology products, consulting services, and training courses to the global mining industry, delivering solutions and services across a range of commodities.

With expertise across a range of mining disciplines, Runge's approach to the business of mining is strongly grounded in economic principles and delivering mine planning solutions that are tightly coupled with technological support and training. Runge currently owns and operates 18 offices in 10 countries throughout the world. Our team includes Pincock Allen & Holt, Minarco-MineConsult, MRM Mining Services Pty Ltd and GeoGAS.

Runge has demonstrated strong growth historically and targets minimum annual 20% organic growth in revenues and 20% EBITA margin. Revenue is diversified both geographically and by mineral commodity mined.
